Assignment Guidelines

The following are some important guidelines for writing your assignment responses:

- Make sure that you have answered all the questions of an assignment before you submit it inthe study center. Incomplete assignments shall bring you poor grades, or non-submission of assignments in time may lead to withholding of results.
- Answer the questions of the assignment as directed after a careful study of the Units available in the SLMs.
- Be precise in your response. Keep the word limit of the assignments in mind.
- You should ***not send printed articles*** as your answers for assignments, nor should you reproduce the text of the SLMs verbatim. Write assignments in your ***own words and in your own handwriting*.** Type assignment responses are **never allowed**.
- The assignments should be written on an A4 size sheet or a foolscap size blank paper.
- Assignments should only be written in blue or black ink.
- **The assignments should have a first page/cover page. The first page/cover page should have the following details:**

  Programme Name:----------

  Name: ..... **Enrolment Number:** .....

  Course Title: ..... **Study Centre Code:** .....

  Date of Submission: ..... **Phone No and Email id:** .....
- Ensure that you keep a copy of the assignment responses with yourself. You might need them in case you have to re-submit the assignment due to some unforeseen circumstances.
- While submitting the assignment, don't forget to collect the receipt.
