Assignment Guidelines

A) Guidelines to Coordinators:

1) Assignments are parts of teaching-learning process and compulsory.

2) The spirit behind this is to help learners to understand the subject and prepare themselves better for the term-end examination.

3) Assignment responses are to be evaluated and feedback are required to be communicated to the learners, by giving back the assignments with evaluator's comments. Such assignments are to be collected at the time of issuing admit cards and be stored in the centre's office till the end of next semester.

4) Assignment marks are to be sent to the Controller of Examinations as soon as the examination routines are published.

5) Keeping the above points in mind *coordinators will fix the time/date of submission of assignments by the learners as may be convenient to follow the guidelines in true spirits.*

B) Guidelines to learners:

1) As soon as the SLMs are received the learners will write the assignments in their own handwriting (assignment questions may be downloaded from the website, if necessary) to be submitted to Coordinators as per the dates fixed for the purpose. Timely submission of assignments at the Study Centres will help in quick processing of results of respective learners. Otherwise this will create unnecessary delay in declaration of results.

2) Writing of assignment (work) and submission of the same in time is compulsory.
