Broad topics suggested by the **Discipline of Sociology** for MA 2nd semester Seminar paper.

1)Urbanization and its Impact in the north-eastern states or Assam
2) Assessing the influence of global cultural trends on Indian social practices and values.
3) Effects of caste and gender on the lives of rural Indian women.
4) The Role of Education in Society
5) Gender disparities in Education
6) Workplace Culture and Employee Well-being: Here one can explore the relationship between organizational culture (operation of bureaucracy) and the mental and physical well-being of employees.
7) Gender and Work: One can analyse the challenges and opportunities faced by women in male-dominated industries.
8) Mental health and stigma
9) Social Determinants of Health in Marginalized Communities: Here one can explore how social factors like income, education, and race affect health outcomes in marginalized communities.
10) Role of traditional medicines in society

Thanking You
Yours Sincerely
Gargi Gayan
