COURSE INTRODUCTION

This Course is meant for the students of Sociology of BA programme under the revised semes ter system of Krishna Kanta Handiqui State Open University. The course is titled Understanding Social Problems . In this course the learners will be able to learn about different types of Social Problems and the various problems existing in our society.

The learners will also be able to learn about the meaning and significance of social welfare along with the various social welfare measures undertaken by the government as well as non governmental organisations for the benefit of the society

In order to make the text more interesting and informative, a section called LET US KNOW has been provided in all the units. This section try to provide some additional information regarding the content of the unit. Further, in order to enable the learners to continuously check their progress regarding the content, some questions has been put at the end of various sections of a unit with the heading CHECK YOUR PROGRESS. The answers to the questions of CHECK YOUR PROGRESS section has been provided at the end of each unit. In the end of each unit few Model Question of long and short type is provided in order to provide an idea of the question 'pattern' to be expected in the examinations by the learners.
