Guidelines:

a. *The learners would prepare the Field Work Journal on the basis of field study of either of Two Case Studies of Two BPL families living in a remote village of rural Assam*

b. *The questions in this booklet has to be answered based on information collected through field visit to a community of a category as mentioned above.*

c. *The learners should interact with group leaders or well-known influential persons of the community (at least 5 persons). The responses of each person interviewed separately should be integrated and filled up in the spaces provided after each question in this booklet.*

d. *The main objective of writing this journal is to orient the learners to the crucial activity of Field Work in Social Work Profession. Learners as Social Work Trainees need to be acquainted with the problems of the 'real world' through first-hand experience in collecting information from the field.*

e. *The report booklet would be submitted prior to MSW I Semester Examination.*

f. *This report booklet would be submitted to the OSD (Examination), Krishna Kanta Handiqui State Open University, Housefed Complex, Dispur, Guwahati - 781 006, through respective Study Centres.*

g. *The report should be hand written.*
